

Papillion Sanitation Residential Donation Program

Support Papillion La Vista Teachers & Staff in Need:

1) Contact Papillion Sanitation Customer Service at 402-346-7800 to participate. Select a Monarch, Titan, or District sticker to display on your Papillion Sanitation trash cart.

2) For each participant, Papillion Sanitation will donate \$1/month to their newly-established program, the Papillion La Vista Staff Emergency Fund.

3) The Staff Emergency Fund will provide financial support for Papillion La Vista Community Schools educators and staff in times of illness, family emergencies, and other unexpected financial crises. Supporting staff when they need it most allows them to focus on overcoming the challenges and continue serving students, when possible.

The Papillion La Vista Schools Foundation supports this fund and more to provide additional opportunities for students and educators. Learn more at plvschoolsfoundation.org.
