

December 2020 Edition

Bellevue Nebraska Solid Waste Program

Recycling, Landfill Trash, and Yard Waste Information for the Citizens of Bellevue, Nebraska

Holidays and Weather-Related Delays

There will be no collection on Friday, January 1. If that is your regular service day, your pick up will be on Saturday, January 2.

As we move into winter, if streets are too icy for our trucks to safely service, we will notify you of any delays in service via email, our website and Facebook page, and notify local television stations. Click here to get on the list for email notifications.

Contact Us

Your satisfaction is very important to us. Our Customer Service Team is available to assist you M - F 8:00 am to 5:00 pm at 402-346-7800 or OLP3050@WasteConnections.com. You may also contact us through the website YourCartPlaysAPart.com or the WasteConnect app.

If you believe you have been missed, please contact us as soon as possible. If your driver is still in the area, we will send him back. If not, we will return the next business day.

Cart Placement

Help us serve you better by following proper cart placement guidelines:

- Place your cart at the curb the night before or by 7:00 am on your service day.
- Carts should be placed with the lid opening toward the street. Lids on all carts must be completely closed to prevent items from falling or blowing out of the cart.
- Carts should be kept four feet away from any poles and/or mailboxes and spaced two feet away from your other carts.

Taking these simple steps helps your driver provide service safely and efficiently!

Bulky Pickups

Got stuff that won't fit in your cart? Contact Customer Service at 402-356-7800. Two free bulk curbside picks (items not exceeding 60 pounds and 4 ft x 2 feet) are allowed per year. These should be scheduled with Papillion Sanitation, otherwise the items will not be picked up.

Pick up of larger items (such as couches or mattresses), may be scheduled for a fee.

Yard Waste Season Reminder

November 30 marked the end of yard waste season. From December 1 through March 31 you may use your brown cart for landfill trash.

Christmas Tree Disposal

Natural Christmas trees may be disposed of at one of the many recycling collection sites in the metro area. These collection sites are available December 24 – January 8. Click here for a list of locations.

Never Miss Your COLLECTION DAY Again!
