

Bellevue Nebraska Solid Waste Program

Recycling, Landfill Trash, and Yard Waste Information for the Citizens of Bellevue, Nebraska

Getting Started

The City of Bellevue solid waste program provides residents three carts. A **BLUE** one for the disposal of landfill trash, a **GREEN** one for recycling, and a **BROWN** one for yard waste. You have the option of three sizes of containers.

PRICING IS BASED ON THE SIZE OF LANDFILL TRASH CART SELECTED. You have the option of choosing 35 gallon, 65 gallon, or 95 gallon carts, which will be provided by Papillion Sanitation as part of the service. (See the graphic.) You are not required to receive a recycling or compostable yard waste cart, however, these carts are included with the price of the landfill trash cart.

You can select any combination of cart sizes that fit your waste generation needs. The fee that you pay is based only on the size of the landfill trash cart you select. For pricing and to select your carts, please call Papillion Sanitation at 402-346-7800 or email OLP3050@WASTECONNECTIONS.COM.

	Height	Width	Depth
35 gallon	38.2"	22.8"	22.3"
65 gallon	42.2"	25.9"	26.5"
95 gallon	46.1"	27.7"	31.6"

Landfill Trash

Household trash should be bagged and placed in your blue cart. All trash **MUST** fit in the cart with the lid closed. Please do not place the following items in your cart: Paint, Solvents, Motor Oil, Appliances, Car Batteries or Tires.

Recycling

- All recyclable materials must be placed in your green cart. There is no need to sort.
- Recycling includes cans, paper and plastics as shown on the lid of your cart. It does not include shoes, glass, clothes, animal feces or diapers.
- Recyclables should be rinsed and placed loose in the cart. **DO NOT PLACE YOUR RECYCLABLES IN PLASTIC BAGS.** Plastic grocery bags are NOT recyclable.
- Use the Waste Wizard on the WasteConnect app or on our website to search individual items. And if in doubt, place it in your blue cart.

Bulky Pick Ups

Got stuff that won't fit in your cart? Contact Customer Service at 402-346-7800. Two free bulk curbside picks (items not exceeding 60 pounds and 4 ft x 2 feet) are allowed per year. These should be scheduled with Papillion Sanitation, otherwise the items will not be picked up. Pick up of larger items (such as couches or mattresses), may be scheduled for a fee.

Yard Waste

Compostable yard waste goes in your brown cart. Yard waste season runs April 1—November 30. From December 1—March 31, brown carts may be used for landfill trash.

- Yard waste includes leaves, lawn clippings, prunings, weeds, and dead plant material.
- Yard waste that does not fit in the cart may be placed in brown bio bags and placed alongside the brown cart. If using bio bags, your brown cart must also be at the curb, and the bags should not weigh more than 40 pounds.

Branches over one inch in diameter (about the size of your thumb) are considered landfill trash as they cannot be composted. They must be cut to a size that will fit in your blue cart with the lid closed. You may also take them to the City's free tree dump located at 8902 Cedar Island Road on the last Saturday of the month from 8:00 a.m. to 12:00 p.m.

Cart Placement

Help us serve you better by following proper cart placement guidelines:

- Place your cart at the curb the night before or by 7:00 am on your service day. Routes sometimes change, so your pick up time may vary from week to week.
- Carts should be placed with the lid opening toward the street. Lids on all carts must be completely closed to prevent items from falling or blowing out of the cart.
- Carts should be kept four feet away from any poles and/or mailboxes and spaced two feet away from your other carts.

Contact Us

Your satisfaction is very important to us. Our Customer Service Team is available to assist you M - F 8:00 am to 5:00 pm at 402-346-7800 or OLP3050@WasteConnections.com. You may also contact us through the website Papillion-Sanitation.com, (look for the City of Bellevue tab) the WasteConnect app or on Facebook.

If these holidays fall M-F, residential service will be delayed one day, with Friday customers serviced on Saturday. If these holidays fall on a weekend, regular service schedule applies.

Service FAQs

- If you need to swap any of your carts for a different size, contact customer service at 402-346-7800 or OLP3050@wasteconnections.com.
- We have a number of forms to help you under the Customer Support tab at Papillion-Sanitation.com. You will find forms there that allow you to cancel or transfer service to a new address, report a missed pick up, or let us know about a broken or missing cart. And of course you can always call our friendly and professional customer service team at 402-346-7800.
- Certain times of the year volume is high so it takes longer for our drivers to finish their routes. We don't quit at 5 pm.
- Just because your lid is not flipped on your cart does not mean we missed you. Sometimes when the truck sets down the cart, the lid closes.

Never Miss Your COLLECTION DAY Again!
