Bellevue Nebraska Solid Waste Program

Recycling, Landfill Trash, and Yard Waste Information for the Citizens of Bellevue, Nebraska

Fall Clean Up Is Saturday, October 14

Mark your calendars for fall clean up on Saturday, October 14. City Street Department areas located at 29th & Hancock and 8252 Cedar Island Road will be open from 7:00 AM to 3:00 PM on that day for residents to drop off solid waste.

This cleanup is for City of Bellevue residents. Please bring your previous month's M.U.D. bill showing the trash fee to prove residency because this trash fee pays for the clean-up. The Fall Clean Up is restricted to residential items only. Commercial and business items will not be accepted and no vehicles larger than pickup trucks will be permitted unless prior arrangements are made.

If you are a senior citizen or an individual with disabilities and need assistance, Papillion Sanitation will only be able to collect bulk items curbside from residents that meet the City's requirements for this service. Please call Papillion Sanitation at 402-346-7800 to get on this list and schedule your collection.

Cart Placement

Help us serve you better by following proper cart placement guidelines:

- Place your cart at the curb the night before or by 7:00 am on your service day.
- Carts should be placed with the lid opening toward the street. Lids on all carts must be completely closed to prevent items from falling or blowing out of the cart.
- Carts should be kept four feet away from any poles and/or mailboxes and spaced two feet away from your other carts.

Yard Waste Season Reminder

Yard Waste Season is April 1—November 30. During yard waste season, leaves, lawn clippings, dead plant material, and twigs less than one inch in diameter may be placed in your brown yard waste cart. Larger branches should be bundled and placed in your landfill trash cart or taken to the free tree dump at the gated entrance just north of 8902 Cedar Island Road on the last Saturday of every month from 8 am to 12 pm.

Yard waste that does not fit in your cart may be placed in brown bio bags and placed next to your cart. There is no limit to the number of bags you may put out, however, your yard waste cart must also be curbside so that the driver can place the bags in the cart to lift into the truck.

November 30 marks the end of yard waste season. From December 1 through March 31 you may use your brown cart for landfill trash.

Contact Us

Your satisfaction is very important to us. Our Customer Service Team is available to assist you M - F 8:00 am to 5:00 pm at 402-346-7800 or OLP3050@WasteConnections.com. You may also contact us through the website YourCartPlaysAPart.com, the WasteConnect app or on Facebook.
