

Bellevue Nebraska Solid Waste Program

Recycling, Landfill Trash, and Yard Waste Information for the Citizens of Bellevue, Nebraska

Recycling is easy and saves you money!

Just know what goes in your green cart: cans, cardboard, paper and plastics 1—7.

And don't forget: You pay based on the size of your trash cart. Any size recycling cart is FREE!
Smaller trash cart and more recycling = lower trash bill for you!

PLACE RECYCLABLES LISTED BELOW IN YOUR GREEN CART

Cans

Aluminum Cans
Soup Cans
Tin Can
Empty Aerosol Cans
Lids from Jars

Do NOT include Aluminum Foil or Appliances.

Paper

Newspaper	Cardboard
Junk mail & Envelopes	Brown grocery bags

Where to Take Recyclables That Don't Go in the Green Cart:

- Glass: Drop glass off at Bellevue Fire Station District 3 (9400 S 36th St) or River City Recycling (6030 S 60th St). Curbside pick up is available for a fee by Glassman Recycling (402-578-4204).
- Appliances: May be taken to Cross Electronics Recycling (5030 N 72nd) or Scrap Central (2728 N 85th St).
- Electronics: Drop off at Cross Electronics Recycling.
- Household/Garden Chemicals, Paint and Florescent Lights: Take to Under the Sink (4001 S 120th St).
- Styrofoam: Plastilite Corporation (4930 Battlefield Dr OR may be placed in orange Hefty™ Renew™ Bag and placed in your green cart.
- Plastic Grocery Bags: Many grocery stores, Walmarts, Targets, etc have boxes in stores for recycling these bags.

WHAT IS THE HEFTY™ RENEW™ PROGRAM?

Formerly the Hefty™ EnergyBag™ Program, these orange bags can be used to recycle otherwise non-recyclable plastics, candy wrappers, chip bags, and Styrofoam. Visit Hefty.com for more information and a complete list of items that may be included. Bags may be purchased at area HyVee, Walmart, Target, or Menards stores.

Still Not Sure If It is Recyclable?

Visit our WASTE WIZARD available at YourCartPlaysAPart.com or download the WasteConnect app. Simply type in the item to get instructions on proper disposal.
