

How to Dispose of Your Natural Christmas Tree

Please do NOT place your tree at the curb. Christmas trees may be disposed of at one of the many recycling collection sites in the metro area. These collection sites are available December 26 – January 9. Trees will be recycled as mulch, so please remove:

- Nails
- Wires
- Ornaments
- Tree stand
- Plastic bags
- Lights

The tree recycling collection sites do not accept wreaths or evergreen roping.
